

Dear Parents,

Our Religion lesson this week is entitled Jesus Calls Us to Worship. The children will do a scripture search to see how Jesus taught us how to worship, through prayer, loving service, and sacrifice. There will be a quiz tomorrow over the information the children wrote in their Religion folder.

In Social Studies we have begun our study of the early civilizations in the Americas. There will be a quiz over the vocabulary words found on p.20 on Thursday.

We have been working on equal group problems in Math. There will be a quiz Wednesday on the Simple Solution Math covering lessons 1-4.

Our Spelling lesson this week deals with frequently misspelled words. The test will be Friday.

The 5th grade is in charge of the Friday Mass this week. If your child is assigned a reading, please practice it with them.

Open House is this Thursday evening from 6-8. I look forward to seeing you then.

Sweatshirt orders are due in the Friday, September 3rd.

Sincerely,

Mrs. Gillespie
