

## FOURTH GRADE NOTES

August 31, 2010

**Spelling Test**—Thursday—math words

**Tuesday folder**—This is my main form of communication with you. Please go through the folder every week. Look through your child's work. Return anything that needs to be returned. Sign and date the folder.

**Reading Log**—This needs to be returned each Wednesday morning. It is considered homework.

**Lunch Tickets**—are \$10.50 for 5 days, or \$42.00 for 20 days. When your child needs a new one, just send the check or cash to the classroom, and I will make a new ticket. If he/she has any charges, I will punch them off the new ticket.

**Kroger Cards**—Do you buy groceries or gas at Kroger? When you use Kroger gift cards, Holy Family receives 5% of every purchase. The cards can be reloaded at the service desk. You can use your credit card to do this, so you are still earning your rewards or travel points. We are now selling Kroger cards in larger denominations, as well as the \$5 cards. They can all be reloaded. **Fund raising doesn't get much easier than this....**

**EXCEPT....**—We are still participating in the Ashland Town Center's **EARNING FOR LEARNING** program. Simply take your mall receipts to the customer service desk so they can record the total spent. We have earned \$900 so far, and could potentially get \$1800.

**We are no longer collecting Nestle water labels.**

**No School**—Next Monday, September 6. Happy Labor Day!

**September 10**—Noon dismissal.

**Please be generous in volunteering your time for our upcoming festival, which will be held on September 10, 11, and 12.**
