

Dear Kindergarten Parents:

I hope everyone had a restful and fun filled Spring Break! This week we are studying how Air is Good in Religion. In this chapter we will learn how the Holy Spirit is never visible, but is always with us. In Math we are studying money. In Reading we are finishing our theme called Wheels Around while reviewing the sounds of the letters D and Z, position words, opposites, and short vowel sounds. We are also writing a class story where we review character, setting, beginning, middle and ending parts of stories. We will also take time to learn about how stories have morals when we go see Aesop's Fables at ACTC.

Here are my announcements:

- We will be visiting ACTC, on April 15<sup>th</sup>, to see the 10:00am puppet show of Aesop's Fables. We need drivers! Please sign and return the permission slip and let me know if you can help driving!
- Tomorrow, from 1:00pm to 2:30pm there will be an Open House. Invite anyone you know who may be interested to come take a look at the school!
- April 23<sup>rd</sup>, which is NEXT Friday will be a Peace Tee day!

Thanks always!

Ms. Kelley
