Third Grade Parents and Friends,

There are some important things coming up to keep in mind like:

- In Science we are studying forces.
- In Social Studies we are studying Nairobi geography.
- In Religion we are studying “Jesus is with Us on Our Way.”
- In Language Arts we are studying Venn Diagrams.
- In Math, we are going over time.
- We have a fieldtrip/ pilgrimage / picnic on Thursday. We leave at 9:00 in the morning and will return in time for Benediction.
- Track and Field Day has been changed to Friday. Students will go to the events at the same time.
- Father invites you to attend Benediction with us on Thursdays. It starts at 2:30.
- We are running out of wide rule notebook paper and Kleenex. Please send them if you are able.
- We are coming up to the end of the year. Please make sure that all library books are turned in and that any bills and lunch charges are paid.
- We will be off on Monday for Memorial Day. We have a full day on Tuesday and a half-day for the last day on Wednesday.
- Thank you for all the time, support and dedication to making this a very great year. I think that I ‘m very fortunate to have had your children become a part of my life and look forward to seeing them reach their goals and dreams for years to come. I pray for you and the rest of your family to continue being blessed.

Sam Smith
