

## April 20, 2010

Third Grade Parents and Friends,

There are some important things coming up to keep in mind like:

- In Science we are having a small test on Friday over changes in matter. See study guide.
- In Social Studies we are studying urban areas.
- In Religion we are studying the Disciples after Jesus return. We will be doing the readings at Mass on Friday morning.
- In Math, we are studying multiplication and division facts for 100's and 1000's.
- In Language Arts we are reading Animal Habitats.
- The children need to bring a morning snack.
- Thursday we have Benediction. It starts at 2:30. Father has asked that if you pick up your children, you will come share and make it that much more special.
- Thursday is Earth Day. The students may wear their Earth Day Shirts or a green shirt with their uniforms. All other dress code rules apply.
- Friday students are to wear their Peace Builder shirts with their uniforms. All other dress code rules apply.
- **Testing is over for the Third Grade. They worked very hard. Thank you for having them here on time and ready to go.**

**Spelling words for this week are:** science, addition, subtraction, multiplication, division, mixture, solution, chemical change, physical change, heat, temperature, pressure, Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Holy Family.
