

## April 27, 2010

Third Grade Parents and Friends,

There are some important things coming up to keep in mind like:

- In Science we are having a small test on Friday over changes in matter. See study guide.
- In Social Studies we are studying the test over St. Augustine on Friday.
- In Religion we are studying The Paschal Mysteries and writing to the second grade First Communion Class about our memories and wishes.
- In Math, we are studying multiplication and division facts for 100s and 1000s. We are going over liters and milliliters.
- In Language Arts we are reading How to Raise a Dragon.
- They need to bring a morning snack.
- Remember we have Benediction on Thursday. It starts at 2:20. Father has asked that if you pick up your children, come share this time with us and make it that much more special.
- **Remember that third grade parents are to help with hosting the Communion celebration on Sunday.**

**Spelling words for this week are:** energy, kinetic energy, potential energy, fossil fuels, solar, electricity, vibrate, circuit, forty, fifty, sixty, seventy, eighty, ninety, hundred, thousand, million, billion, trillion and water.

- We have a free dress day on Monday May 3<sup>rd</sup>; they need to bring a dollar.
